LAW ENFORCEMENT EXPLORERS

The Lake in the Hills Police Explorer Post #1096 is comprised of an award-winning team. Law Enforcement Exploring is a nationwide program which provides young men and women ages 14 through 20 with the opportunity to “explore” a career in law enforcement while also following the Exploring guidelines set forth by the Boy Scouts of America. Post #1096 was started in October 1999. It is funded by donations from area businesses and fundraising is conducted by the Explorers with guidance from advisors and police department staff.

In 2019, Post #1096 was proudly recognized as Explorer Post of the Year at the Illinois Law Enforcement Explorer Conference. The conference unites Explorer teams from across the state to compete in a variety of different scenarios including: hostage negotiation, felony suspect arrest, building search, tactic emergency medical care, and more. The Post receives weekly instruction, as well as hands-on experience from officers in various areas of leadership. The team also learns through observance during ride-alongs with the patrol division. The Post also assists the police department by volunteering at many community events and assisting with security and traffic control. The program promotes personal growth through character development, respect for the rule of law, physical fitness, good citizenship and patriotism. Members wear a police-style uniform bearing the department’s patch and an explorer post patch.

Ready to join? Please contact Post Advisor, Ofc. Gnuechtel, at 847-658-5676.

ONLINE TRANSACTION SAFEZONE

Did you know the police station is available as an online transaction safezone? It serves as a safe location to complete transactions without providing personal information, such as a home address, to unknown persons. While items cannot be stored at the police department or in the parking lot, if the item can be safely transported we encourage sellers to consider conducting the transaction in our transaction safezone. Residents or business owners selling or buying items on Facebook marketplace or other online sites may meet buyers/sellers in the parking lot or lobby areas of the police department. The parking lot and lobby areas are monitored by staff and security cameras 24 hours a day and are well-lit in the evening. We recommend calling our non-emergency line (847-658-5676) to advise of the transaction date and time so we are aware.

Here are additional tips for conducting a transaction with an unknown buyer:

- Only accept cash or a cashier’s check for sale. Personal checks carry some risk.
- Conduct sales during weekdays so banking or financial institutions can be contacted if there is a problem.
- Don’t go alone and trust your instincts.

POLICE STATION TOURS

The Lake in the Hills Police Department encourages schools, education centers and civic groups to arrange for a tour of the police station. Tours are offered with the goal of educating the public about police operations. Tours are generally 30 minutes in length. Tours can include a safety talk upon request. All tours must be booked a minimum of three weeks in advance. We ask that tour groups be limited to 20 individuals at a time. Police stations are a dynamic work environment, and tours may need to be canceled or postponed and some areas may be omitted from the tour due to situational circumstances. To book a tour, make an appointment online at www.lith.org/police.

CAR SEAT INSPECTIONS

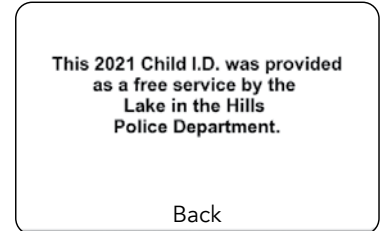

Children deserve the best protection while riding in a vehicle and the best way to keep a child safe in the car is to use the right car seat in the right way. We provide child safety seat inspections by certified child safety seat technicians to ensure that your child is in the appropriate child safety seat and that it is installed properly in your vehicle. Making sure your car seat is properly installed will give you peace of mind that your little ones are well-protected. For resources and to schedule an appointment online visit www.lith.org/police. Appointments open to residents only.

CHILD IDENTIFICATION CARDS

Child Identification Cards are a service offered by the Lake in the Hills Police Department which provides a photo identification card for children.

Parents or guardians can carry the child identification card in their purse or wallet, keep it in a safe place, or secure it onto the bottom of the child's car seat. The child identification card includes a photo of the child, personal information and emergency contact/medical information.

Child Identification Cards are available by appointment only to Lake in the Hills residents and are free of charge. To make an appointment please call 847-658-5676 or email communityrelations@lith.org.

NEIGHBORHOOD WATCH

Neighborhood Watch is a national program which encourages residents to establish a group "watch" in their neighborhood to have heightened awareness for crime detection and deterrence. To join or start a Neighborhood Watch in your area, call the Crime Prevention/Community Relations Division at 847-658-5676 or email communityrelations@lith.org.

TRI-AREA COURT FOR TEENS (TACT)

You can take a stand against juvenile crime – get involved in teen court as a volunteer juror! Teen Court jurors are provided an opportunity to get involved in juvenile justice and realize their duties as members of the community. Teen Court is a program which allows a first-time teenage offender an opportunity to have his/her case heard by a jury of peers instead of going to the traditional court. In Teen Court, teenage offenders are given the opportunity to accept responsibility for their criminal behavior. By agreeing to have peers determine what the "sentence" or penalty should be, the offense will not go on the offender's record. First-time offenders who appear as defendants before their peers in Teen Court are referred by the arresting officer. Ready to join? Pick up an application from the Lake in the Hills, Algonquin or Huntley Police Department or talk to your School Resource Officer. **Meets monthly. Volunteer jurors must be ages 13-19.**

The speed trailer is used to educate drivers of their speed. It is placed in various locations throughout the village where speeding problems and complaints have been received. The speed trailer is equipped with a radar gun and a computer that records vehicle speed, the number of vehicles, and the time of day. It also allows us to conduct traffic studies to determine if any changes are needed on a street and to schedule various types of traffic enforcement in the area.

The Lake in the Hills Police Department encourages residents to contact the department with comments or complaints regarding traffic violations in the community. To submit a traffic complaint, complete the online form at www.lith.org/police and your comments will be submitted to the Traffic Unit Supervisor. You can also report concerns to the Traffic Unit Supervisor at 847-658-5676.

Applicants must be over the age of 21, a resident of the village, and must complete a two-hour mandatory training at the police department covering traffic law and the operation of speed detection devices. Applicants won't have direct contact with traffic violators but will be required to document the date and time along with the violation that was observed. Such violations in the past have included the following: speeding, disobeying a stop sign, and stop arm violations. For further information, contact the police department at 847-658-5676.
