### Village of Lake in the Hills to Celebrate 70<sup>th</sup> Anniversary

Lake in the Hills, IL – The Village of Lake in the Hills will celebrate its 70<sup>th</sup> anniversary on November 29, 2022. Community members are invited to take part in a celebration featuring a Wall of History and cake and refreshments at Village Hall, located at 600 Harvest Gate, on November 29 at 9:00 a.m.

Since the anniversary falls on “Giving Tuesday,” a day that emphasizes the importance of giving back on the Tuesday following Thanksgiving, the Village will partner with local food pantries and community organizations to celebrate. Attendees are encouraged to bring a non-perishable food item to donate to the Algonquin-Lake in the Hills Interfaith Food Pantry.

“We are excited to celebrate this milestone,” said Director of Parks and Recreation Trevor Bosack. “The occasion offers an opportunity to appreciate the Village’s history and look forward to the future while supporting our community on Giving Tuesday.”

Since 1952, Lake in the Hills has welcomed residents and businesses and provided a high quality of life. The Village offers exceptional services and a beautiful place to live and work with outdoor recreation areas, lively business centers, and convenient amenities.

“The Village has grown immensely since its incorporation seventy years ago,” said Village President Ray Bogdanowski. “We are eager to come together in celebration of this anniversary, give back to our community, and look ahead to a bright future.”
