THIS PERMIT is subject to the following conditions:

- (a) This permit does not convey title to the permittee or recognize title of the permittee to any submerged or other lands, and furthermore, does not convey, lease, or provide any right of occupancy or use of the public or private property on which the project or any part thereof will be located, or otherwise grant to the permittee any right or interest in or to the property, whether the property is owned or possessed by the Village of Lake in the Hills, the County of McHenry, or by any private or public party or parties.
- (b) This permit does not release the permittee from liability for damage to persons or property resulting from the work covered by this permit, and does not authorize any injury to private or invasion of private rights.
- (c) This permit does not relieve the permittee of the responsibility to obtain other federal, state, or local authorizations required for the construction of the permitted activity; and if the permittee is required by law to obtain approval from any federal or state agency to do the work, this permit is not effective until those approvals are obtained.
- (d) The permittee shall, at their own expense, remove all temporary piling, cofferdams, false work, and material incidental to the construction of the project, from the flood prone area, river, stream, or lake in which the work is done.
- (e) The execution and details of the work authorized shall be subject to the approval of the Village of Lake in the Hills and/or McHenry County (MC) and their assigned consultant(s), which shall have right to access to accomplish this purpose.
- (f) Application for permit will be considered full acceptance by the permittee of the terms and conditions of the permit.
- (g) The Village of Lake in the Hills and/or MC and their assigned consultant(s), in issuing this permit has relied upon the statements and representations made by the permittee; if any statement or representation made by the permittee is found to be false, the permit may be revoked at the option of the Village of Lake in the Hills and/or MC and their assigned consultant(s); and when a permit is revoked all rights of the permittee under the permit are void.
- (h) In issuing this permit, the Village of Lake in the Hills, MC, or their assigned consultant(s) does not approve the adequacy of the design or structural strength or the structure or improvement.
- (i) Noncompliance with the conditions of this permit will be considered grounds for revocation.
- (j) If the work permitted is not completed within three years of the permit issuance date, this permit shall be void.
