The Lake in the Hills Police Department announces additional traffic enforcement

Lake in the Hills, IL - The Lake in the Hills Police Department announced today it will be conducting additional traffic patrols from September 5 to September 19 in an effort to reduce speeding and other traffic-crash causing violations such as distracted driving and impaired driving.

“Offenders will be stopped and ticketed, especially on Randall Road, where many of our speed-related crashes occur,” said Officer Amanda Johnson, Public Information Officer for the Lake in the Hills Police Department. “Speeding accounts for nearly one third of all motor vehicle fatalities. Our goal is to save lives.”

The additional enforcement effort is made possible by federal traffic safety funds administered by IDOT.
