Contact Name: Guy Fehrman, Street Superintendent  
Phone Number: 847-960-7500  
Fax Number: 847-960-7501

### **FOR IMMEDIATE RELEASE**

The Village of Lake in the Hills Public Works Department collaborated with ComEd Energy Efficiency to replace existing streetlight heads throughout the Village with new more efficient LED streetlight heads.

“The new LED lights look terrific, they really light up the street by my house”, said Village President Russ Ruzanski. “That, coupled with the fact that they save the residents of Lake in the Hills money, makes this project a win-win.”

The ComEd Energy Efficiency program funded the project with no cost to the Village. Additionally, the efficiency of the new LED streetlight heads will reduce the cost of street lighting for the Village by approximately \$17,000 per year.
