### For Immediate Release

Lake in the Hills, IL – Governor J.B. Pritzker has announced that the stay-at-home order that went into effect on March 21, 2020, has been extended for all Illinoisans through April 30, 2020. The Village of Lake in the Hills urges community members to continue to follow Governor Pritzker’s order as public health agencies work to stem and slow the spread of the COVID-19 pandemic in the region.

The Village has extended its recent facility closures to the public and the suspension of all programs and events through April 30, 2020. Per the Stay-at-Home Order, the Village’s open spaces, paths, Bark Park and trails will remain open; however, all Village playgrounds, basketball courts, tennis courts, volleyball courts, and skate parks will remain closed to the public. The Village’s essential services remain available via telephone, email, and through the Village website, [lith.org](http://lith.org). Additionally, the Records Division in the upper lobby of the police station will continue reduced hours of operation from 8:30am to 5:00pm, Monday through Friday, until further notice.
