Program Description
Advertised Descriptions:

**DAY:**

Join us for a special afternoon as we offer a day of special activities perfect for Daddies to share with their little girls and young ladies ages 3 and up.

This special afternoon offering is available for the girls who might want something a little more casual and calmer than the louder, active atmosphere of the evening session. Our team of talented face painters will be on hand to transform the girls into glittery princesses. We will also enjoy a selection of games and crafts, fun and colorful desserts, music, and plenty of photo ops.

**NIGHT:**

Join us for this magical evening event perfect for princesses ages 5 and up. The evening session of this special day is active, loud, and a little dressier than our afternoon session. We will rock out with a fun, interactive DJ and desserts, photo ops, and a special take home souvenir.

**BOTH:**

- Fee is per person and includes all activities, entertainment, snacks, and beverages.
- Child(ren) must be accompanied by at least one adult (“dad” label is not required).
- Please do not arrive more than 15 minutes prior to posted start time.
- Registration deadline is midnight Sunday, February 16. A $5 per person late fee will be assessed to registrations taken after this date. We cannot take any registrations after noon on Friday, February 21. We cannot guarantee an allergy-free environment or modification to the menu.
- The theme this year was Once Upon a Time Princess Ball. Decorations were princess themed with a pink and gold color scheme. For the day time crafts participants made princess slime, painted princess wands, colored princess activity pages, and created a princess theme with sticker sheets. We played bingo and had a freeze dance party.
- The biggest addition to the evening session was a dessert chocolate fountain.

**Cost**
Same as 2019, $15 R / $18 NR

**Target Audience**
Girls ages 3 + with Dad (or adult chaperone)

**Marketing**
The event was marketed in the seasonal brochure, on our website, on our Facebook page, and Village marquee signs. Participant Feedback
A survey was emailed out to all households participated in the event. We had 27 responses. Of the respondents, 92% would recommend this event to a friend. Full survey results found here. A couple of comment highlights:

- “What an amazing event for all father's and daughters in attendance. The hosts were amazing!”
- “Seeing my 3 year olds eyes light up with such excitement the moment she walked it. It was just absolutely perfect for her.”
- We also received a nice email after the event:
  - I just wanted to say “Thank You!” to you and your team for hosting the Daddy/Daughter Day at the park district a few weeks ago. Everyone was really helpful and the food & activities were fantastic. Vivian and I had an awesome time together...it was our first “Daddy/Daughter” event, and I'm sure she'll want to do more in the future! =) I hope you have a great rest of the day!
    
    Sincerely,
    
    Brian Overheidt

Observations

- Staff preparation time is significant for this event, as it involves decorating all of Village Hall, setting up / cleaning in between events and food preparation. With less assistance from customer service while they are down an employee, it was more difficult to get issues with registration and small projects completed.
- Per 2019 recommendations:
  - Signs at the door that state “no day of event registration” was displayed, however we still had 1 day and one evening couple show up unregistered.
  - With the popularity of the evening event, the downstairs dessert area was assigned in two time slots (6pm and 6:45pm). Everyone had a room to sit and enjoy their snacks.
  - The survey results indicated a desire for more substantial snacks so we added a veggie tray and cheese / peperoni and cracker tray.
  - The event ran smoothly and participant feedback at the event was very positive overall.

Recommendations

- We should add a few more to the evening maximum, as we had 3 calls the week of the event that they were sick and would not be attending.
- Investigate the ticketing option in Community Pass for registration.
- Find a new DJ, per 22% dissatisfied rating from survey.
